SPONSORSHIP OPPORTUNITIES

Each year our community banker convention brings together the largest single gathering of senior officers and directors from community banks around the State of Washington.

This is a prime opportunity for your organization to reach a high number of decision makers in the community banking industry. We limit the networking opportunities, sponsorships and exhibitor space to our Associate Members, ensuring the highest value for your investment.

Trade Show space is limited to give you the best opportunity of reaching every delegate. The trade show is located adjacent to the meeting room, and is the site of our cocktail receptions and continental breakfasts. What's more, our silent auction takes place at your booth! Delegates must visit your booth to view and bid on an item.

Preference of trade show space is based on sponsor level and space available.

CBW's silent auction items are displayed at each booth, enticing delegates to visit every booth in order to bid.

Sponsors are encouraged to donate an auction item that will maximize traffic at your booth!
